

**Egremont Board of Health**

**February 16, 2017, 10:00 am**

**Egremont Town Hall, Selectman's Office**

**In Attendance:** Charles Ogden, Dr. William Rose (left at 10:45am), Ellen Maggio

**Recording:** Juliette Haas, Director

**Also Present:** Jayne Smith, Health Agent, Diane Pastier, Mike Parsons

1) Chairman Ogden called meeting to order at 10:00 am. The minutes from the January 19, 2017 meeting were reviewed, corrected and approved. 3-0.

2) **North Egremont Store/223 Egremont Plain Road** Diane Pastier from the North Egremont store was in attendance. Jayne Smith discussed her follow up inspection. As to meeting compliance for the sink setup, Jayne reported that there is very little actual food preparation (most foods come pre-prepared). Because of this, board voted (3-0) to change their requirement on a three-bay sink and allow a labeled metal basin inside single sink to act as ware washing sink. Hand washing will be done in other section of single sink. A separate metal container outside of sink will act as sanitizer. Sinks and bins will be labeled "sanitizing" "ware-washing". Board and owner agreed that if food service should change in any way, sink must be upgraded. Chairman Ogden suggested a letter be composed stating this agreement. Jayne added that staff needs either ServeSafe or on-line food handlers training. She will provide Diane with this information.

3) **Updated Well Regulations** The board signed the final version. Town Clerk also signed. Notice was placed in newspaper and copies are available at Town Hall and on the town's website for review. A copy will be sent to MassDEP.

4) **Food Inspections** Jayne reported on her current round of restaurant inspections. Swiss Hutte does not need a follow-up inspection. John Andrews violations were discussed and Jayne will follow up with a future inspections.

5) **John Andrews Boil Order** Passing water tests were submitted to MassDEP. Boil Order is still in effect.

6) **BCBOHA PHIT Food Training** Jayne informed Board of the upcoming PHIT food training course which she and Sandra Martin will be giving and attending. Since Egremont's two Health Agents are giving the course, there is no reason for anyone else from Egremont BoH to take course.

7) **McGowan/General Knox Lane** Mike Parsons dropped off septic plans for this new construction. Board will give full review at their next scheduled meeting.

8) Meeting adjourned 11:10 am. March meeting schedule is March 9th and 23rd.

*Approved 3/9/2017*
