

**Egremont Board of Health**

**March 29, 2018, 10:15am**

**Egremont Town Hall**

**Members Present:** Charles Ogden, Ellen Maggio

**Recording:** Juliette Haas, Director

- 1) Chairman Ogden opened meeting at 10:15 am. Minutes from the March 15, 2018 meeting were accepted with one correction.
- 2) **Recent Field Work** Jayne has made two visits to Blue Rider Stables to discuss requirements for upcoming Recreational Camp permit.
- 3) **Upcoming BCBOHA Spring dinner and talk** All members of the BoH are registered for the spring dinner on April 26.
- 4) **Kinna/189 Egremont Plain Road** Board reviewed and approved septic plans submitted by Accord Engineering. As this is new construction no variances were requested.
- 5) **Egremont Barn** Nick Keene recently contacted the office to discuss their possible plans to construct a kitchen at the end of their building and do away with the current food cart/pass through window set up. If they proceed, they would like to move the food cart to a temporary location and continue food service while kitchen is being constructed. Board will require that menu remain similar to what they are offering now, that a DWCP be issued for sewer line for temporary food cart set up, and that BoH will inspect new kitchen when completed.
- 6) **Solid Waste Hauler Regulations** At the next meeting Juliette will entertain a change to the existing EBoH Waste Hauler Regulation.
- 7) The next EBoH meeting is scheduled for April 19th at 10:00 am. Meeting adjourned 11:00 am
