

**Egremont Board of Health**

**Thursday, June 18, 2020, 10:00 am**

**Zoom Meeting**

**Members Present:** Charles Ogden, Chairman, Dr. William Rose

**Other Attending:** George McGurn, Michael Straher, Al Thorp, Kate McCormick, Ed Fahey

**Recording:** Juliette Haas, Director

- 1) The acceptance of the minutes from the June 4, 2020 meeting were deferred until the next meeting.
- 2) **Straher/24 Lakeside Drive** Mr. Straher introduced himself and spoke to the situation to his future building plans and the existing structure. Attorney Kate McCormick gave her assurance that the building will be removed and explained the process of work to be performed: wetlands on the two lots have been delineated, a perc test is underway to explore the location of a leach field and determine a building site. Al Thorp spoke to all of the work being done and how it will aid in developing a site plan. Member Dr. Rose asked as to when the structure will be removed. Attorney McCormick answered that the demolition will require a permit from the Egremont Conservation Commission and the actual demolition may need to take place during certain seasons of the year (ie: dry weather and land conditions). Chairman Ogden requested the EBOH be provided with an update by the next regularly scheduled meeting of July 2<sup>nd</sup>.
- 3) **The Barn/EVI/Main Street** Future COVID-19 business reopening plans states that bars cannot open until Phase 4. Music venues and live performances will be allowed to convene at Phase 3. The Board agreed that The Barn would be allowed to open at Phase 3 if they submit a preapproved plan demonstrating that they are not a bar and meet a description of a music venue.
- 4) **Blue Rider Stable** Field Agent Ed Fahey inspected this facility earlier in the week and approved their COVID-19 plans and procedures for operating as a Recreational Day Camp for Children.
- 5) **Recent Field Work:**
  - a. Upgrade Perc/28 Greenwood Circle
  - b. Upgrade Perc/169 Jug End Road
  - c. Upgrade Perc/88 Hillsdale Road
  - d. Title 5/35A Creamery Road/conditional pass (garbage disposals must be removed)
  - e. Title 5/67 Rowe Road/pass
  - f. Title 5/44 Rowe Road/pass
  - g. Title 5/65 Rowe Road/pass
- 6) Meeting adjourned 11:05. The next scheduled meeting will be July 2, 2020.
