4) Except as provided in §4.1.2.3.b.ii.

5) ***Setback to be measured from all lot lines of lots not served by the common driveway.***

Section 4.1.2.3.b.ii Add language in bold italics and strike the words as shown:

ii. No commercial building, structure, parking areas or driveway providing access to or from a public way for such use, shall be located within fifty (50) feet of any side or rear property line **in the Rural District or within twenty-five (25) feet in the North Village District or South Village District**, ~~except in cases where strict compliance with this requirement would cause unnecessary hardship.~~

Section 4.3.6.2.c Add the words in bold italics and strike the words as shown:

4.3.6.2.c. Design requirements for common driveways shall in the opinion of the Planning Board assure adequate safety and access for emergency vehicles. Common driveways shall be constructed to have proper drainage to minimize erosion and comply with applicable state erosion control requirements and guidelines for best management practices. All common driveways shall have a minimum traveled width of fourteen feet, a maximum grade of 10 percent, **and shall meet the setback requirements of Section 4.1.2.1 of this Bylaw.** ~~and a minimum 25-foot setback from the sideline between the lot of origin and a lot not served by the common driveway.~~

Part 6: Make provision for “split lots” (lots which are partially in the Rural District and partially in the North Village District or South Village District).

Add the following:

4.1.2.4 Lots Split by Zoning Districts

When a lot is situated in both the Rural District and either the North Village District or the South Village District at the time these bylaws are adopted, the side yard and rear yard setbacks permitted in the North Village District or South Village District may be extended into the Rural District for a distance of up to fifty feet, by Special Permit from the Zoning Board of Appeals.
