

Egremont Historical Commission
Minutes
September 3, 2016

Attending: Bachelder, Cherin, Cooper, Snyder, Turner, Wood
Present: Lynn Wood, Juliette Haas

1: The Commission reviewed the Mt. Everett Academy proposal and has voted its approval of the work proposed and thanks Mrs. Haas for coming. Mrs. Haas has asked that the Commission accept into the record the emails of the Commission between itself and the MHC. The Commission does so and points out that it had already reviewed the correspondence in a previous meeting, but would accept Mrs. Haas' copy of same.

2: The Commission began its review of the first section of updated MACRIS files by Neil Fisher of Fisher/Larson and has many questions regarding content, format and accuracy of information. The Commission has determined to dedicate its next meeting, October 5th, to the detailed review of each entry with the purpose of coordinating our concerns and sending to Mr. Larson a single sheet on each write-up with our notes.

3: The Commission's table for the October 16th Town Party will be hosted by Rebecca Turner and ideas for inclusion should be directed to her attention.

With no further business before it, the meeting adjourned at 11:10am.

S.P. Bachelder, Acting Secretary.
