Meeting time and date were shifted for Summer Schedule. Sat. am will resume in September.

1: Discussion of Town Party: Confirmed Date: August 26th from noon to 3pm at the South Egremont Congregational Church. In an effort to promote the secular use of this building, and to support the Friends of the Meeting House, the use of the lawns for the party was agreed to by all involved.

2: To celebrate the spirit of volunteerism endorsed by the BoS this year, and to recognize those who have served, the following were honored: Nic Cooper, Bill Turner, Charles Flynn, Tom Gabe, Nancy DuVall, Gregg Siter, Peter Barrett.

The Archives will not be open August 5th. The Library will have phone numbers for Margaret Cherin and Rebecca Turner should anyone wish to see the Archives that morning.

Tom Morehouse from the HC of Austerlitz went online and was able to review our holdings. When he came to visit to continue his research he already knew what items he wanted to look at regarding Knox Trail. A big THANK YOU is offered to Margaret Cherin for her constant oversight of our archives and their computerization.

Will Brinker and Margaret Cherin will be in contact with our website host to facilitate our continued upgrades.
