

Cemetery Commission Meeting Minutes August 2, 2019

Our meeting was called to order by Chairperson Campbell at 8:03.

We reviewed and accepted the project for one post to delineate one end of our Jewish Burial Ground section of \$400.00 from Rich Atwood. The post will be square, out of the ground 3'. Year of the Jewish faith on one side, Stars of David on two others and the back side, blank facing our Eastern boundary.

Agreed to discuss with Rich Atwood the boundaries of our Memorial Garden section at the North End of our cemetery; and have him help us mark it so we can begin selling Crematory Urn sites. We set the pricing at \$400.00 for a 4 placement parcel.

We will be seeking Don Peck to surface with 'tailings' our access roads.

We will be going to Road Supt to have placement of Riverside Cemetery road sign located.

Our next meeting is set for Friday, Sept 6 at 8 am.

Respectfully Submitted,
David D. Campbell Chairperson
