

Egremont Conservation Commission meeting minutes of July 14, 2016. Egremont Town Hall, 7 PM.

Commissioners present: Bill Tynan, Chairman, Alina Hsu, Ted Rubsamen and Ben Barrett

Citizens Inquiries: None

Old Business:

Bill Tynan contacted the **Brodericks (47 Mount Washington Road)** about COC. No reply as of tonight from them- they might be away.

Bluebear (Alina Hsu) site visit for 47 Whites Hill Road, to inspect foundation. Bill Tynan braved the rain and did go and all is well.

Karner Brook bridge project on Mt. Washington Road: Emily Stockman and Shep Evans tentatively set for 8/3/16 at 4PM. There are lots more players to be included, and are trying to herd all the cats. If it's raining, our plan is to do the site visit then return to the town hall to discuss intricacies. Ted Rubsamen will drive to Foresight to get maps and narrative.

New Business:

Alina Hsu is doing some research on glyphosate and it's relation to phosphorus. Thank you, Alina!

Correspondences: **Solitude Lake Management** will be doing treatment on July 26, 2016 on Prospect Lake. Formal notice was put in the Berkshire Record, issue dated July 14, 2016.

Minutes of June 23, 2016 approved as written.

Next meeting is July 28, 2016, 7 PM.

Motion to adjourn at 8:00 PM. All in favor. Motion carried.

Respectfully submitted,

Ben Barrett,
Secretary for the Commission
