Members present remotely: Tynan, Seligman, Fakelman, Campbell, Riordan, Frater (Associate)

Called to order 5:33 p.m.

Reading of Remote Meeting Protocols

Minutes of the Previous Meeting Approved

Projects New and Ongoing:

Site visit Cather property, 64 Prospect Lake Rd. Certificate of Compliance approved.

Site visit Brett DeRocker, 74 Prospect Lake Rd, (Stevens representative). Request to remove trees within 100 ft. protected zone. Public hearing on RDA will be scheduled for 7/27/20. Tynan will notify.

Request from DEP regarding request for stay of deadline, 13 Nicholson Rd., 153-0207. We have not received further notification of State action.

Redo of Form 5 signature pages. Tynan will provide preprinted copy in the Town Hall drop box for all future forms requiring individual signatures

Review of pending residential building permit applications. No wetlands issues identified. (55 McGee Rd., 39a Pinecrest Hill, 74 Jug End Rd., 53 Whites Hill Rd,)

Citizen Inquiries: Large tree fallen across Karner Brook. We have not received an RDA. State indicates no reason to remove tree at present as it provides "habitat" for wildlife.

Administrative:

DEP email list update. Egremont Concom and members not listed. Tynan will follow up.

Certified mail to Zola and to Kinney with OoCs apparently not received. Tynan will follow up.

Need to get Commissioner Riordan on Concom group email. Riordan will inquire with Brazie and Brinker

FY 2021 ;planning for clerk and projection system. Riordan working on projection system. Tynan working on Clerk position description: principal items; interest in environmental issues, skills at setting up searchable data base and data entry.

Review of current and active files to ensure all OoCs, etc. are current.

Adjournment: 6:13 p.m.

Next regularly scheduled meetings: August 27, 2020, September 10 ,2020.

Respectfully submitted: David Seligman
