

## **Minutes – Egremont Water Meeting 9 August 2018**

Egremont Town Hall ó 9:00 AM

Present: S. Agar; R. Palmucci; G. Lanoue; W. Brinker; J. Olmsted; N. Stalker

### **General:**

Minutes of the July 12, 2018 meeting were approved as distributed.

### **Old Business:**

July gallons pumped were 983,860; average 31,737 per day. Gallons billed vs. pumped was 77%.

Several transmitters have been replaced; more have been ordered and will be brought into service. New meters were installed at the South Egremont School and two residences.

Receivables are average; past due accounts are making efforts to get caught up. Counsel will be contacted as to write offs and liens in another town.

The new Operator (Nathan Stalker) is waiting for certification from the Board of Licensure. Jim Olmsted has postponed his retirement date until after the certification.

### **New Business:**

MA DEP has received the updated corrosion control application; they have not contacted the Department since. Hach Company service contract for the coming year was voted to be approved; it was voted that a new turbidimeter and controller be purchased according to the quote from Hach, not to exceed \$5,000.00 subject to installation costs.

The Hach service tech stated Monday that the chlorimeter purchased last year should have been under warranty. An inquiry will be made to the company.

### **Miscellaneous:**

The warrant to the Accounting Officer was approved for the August billing commitment in the amount of \$19,526.00.

The next meeting will be Thursday September 13, 2018 at 3:00PM.

Meeting adjourned at 9:35 AM.

Respectfully submitted,  
W. Brinker
