

Minutes – Egremont Water Meeting 7 March 2022

Meeting – Zoom – Town Hall - 8:30 AM

Participating: P. Lanoue; R. Palmucci; W. Brinker

General:

Minutes of the February 3, 2022 meeting were approved as distributed.

February gallons pumped 1,702,960.

Two meters need to be replaced. There are only five or six transponders left to be completely up to date with the new boxes.

Fiber Connect checked the existing conduit from the Mount Washington Road to the plant and found it will be able to carry their fiber cabling. Permissions are not complete from National Grid/Verizon for FC's work to be completed. Hopefully this will take place soon.

Past due accounts have been reminded of their balances due. Two customers have been sent additional reminders of shutoff procedures.

Tighe and Bond Engineers have submitted a report on the visual inspection of the Karner Brook reservoir. The Commissioners will discuss it at a future meeting.

The FY 2023 budget was discussed. There will a meeting with the Finance Committee and Select Board on Wednesday March 9.

A billing error was discovered in the meter readings for Account 62 on Pine Crest Hill Road. All others have been verified. It was voted to abate \$233.00 as a result.

The March billing commitment was signed in the amount of \$20,158.50.

The next meeting will be April 6 or 7.

Meeting adjourned at 9:00 AM.

Respectfully submitted,
W. Brinker
