Introduction

Prior to the mailing of 3rd quarter tax billings, the Select Board holds a public hearing to determine the percentage of the Town's property tax levy to be borne by each major property class. This responsibility and procedure are described in Chapter 40, Section 56 of the Massachusetts General Laws.

The steps in completing the Classification Hearing are outlined below. Also provided is information about the levy, property assessments, and recommendations made by the Board of Assessors.

Steps in Setting Tax Rates

Pre-classification Hearing Steps

Step 1: Determination of the property tax levy (Budget Process)

Step 2: Determine assessed valuations (Assessors)

Step 3: Tabulate assessed valuations by class (Assessors)

Classification Hearing Steps

Step 4: Classification hearing presentation (Assessors & Select Board)

Step 5: Voting a tax shift factor (Select Board)

Post Classification Hearing Steps

Step 6: Sign the LA-5 Classification Form (Select Board)

Step 7: Send annual recap to DOR for tax rate approval (Assessors)

Step 8: Obtain DOR approval of tax rates (DOR)

Terminology

The following are definitions of the terms frequently used in the discussion of tax rates.

Levy: The tax levy (or levy) is the amount of property taxes to be raised. The levy amount is determined by the budget. The total amount of the approved budget less revenues from other sources like motor vehicle excise, municipal fees, and state aid is the amount to be raised from property taxation. The town will be raising \$4,464,265 in property tax revenues. The tax levy has increased \$135,877 (3.1%) over last year's levy of \$4,328,388.

Levy Ceiling: The levy ceiling is 2.5 percent of the full value of the Town. Based on the Egremont's aggregate valuation of \$560,837,348, the town cannot levy taxes in excess of \$11,573,230.

New Growth Revenue: Property taxes derived from newly taxable properties like new construction, additions, subdivisions, and personal property. The assessors have tabulated new growth revenues of \$49,551.

Levy Limit: Also referred to as the "maximum allowable levy", this is calculated by adding 2.5 percent of the previous year's levy limit plus new growth revenue for the present fiscal year to last year's levy limit. Exceeding the levy limit requires an override of Proposition 2 ½. For Fiscal Year 2022 the levy limit is \$4,925,351.

Excess Levy Capacity: Excess levy capacity is the difference between the levy and the levy limit.

Valuations by Class Before Tax Shift

<u>Major Property Class</u>	<u>Valuation</u>	<u>Percent</u>	<u>Res vs CIP%</u>
Residential	530,943,817	94.6698	94.6698
Commercial	18,304,883	3.2639	
Industrial	0	0.0000	5.3302
Personal Property	11,588,648	2.0663	
TOTAL	560,837,348	100.0000	

Shifting the Tax Burden

Municipalities with a large commercial/industrial tax base often see fit to shift the tax burden to help maintain lower residential taxes. Given Egremont's relatively small commercial, industrial, and personal property tax base, it takes a CIP tax rate increase of approximately 20% to yield a 1% residential tax rate reduction.

The estimated single tax rate for fiscal year 2022 is \$20.74 per thousand valuation.

Board of Assessors Recommendation

The Board of Assessors recommends that the Select Board adopt a single tax rate to be applied to all classes of property in Egremont.

Voting a Tax Shift Factor (proposed motion)

The Egremont Select Board votes in accordance with M.G.L., Ch. 40, Sec. 56, as amended, the percentage of local tax levy which will be borne by each class of real and personal property, relative to setting the Fiscal Year 2022 tax rates and set the Residential Factor at 1.0, with a corresponding CIP shift of 1.0, pending approval of the town's annual tax recap by the Massachusetts Department of Revenue.
